

Accessing Electronic Resources with Shibboleth

Shibboleth authentication provides access to electronic resources from off-campus. Many publishers permit this via a login on their website or platform. A valid University of Konstanz e-mail address is required to use this service.

How to authenticate via the University of Konstanz Shibboleth:

1. Find the Shibboleth login

You will need to look for one of the following options:

- Institutional Login
- Log in via Shibboleth/Athens

They can often be found below the normal login boxes. For example:

2. Choose your Institution

You will then be asked to choose your institution from a list or drop down:

Or, find your institution (via Shibboleth)

Sometimes you will be asked to select a group or federation. In this case select „**German Higher Education and Research**“ or „**German Higher Education**“ (depending on the publisher site)

To login using your institution's login credentials, select a region or group.
